Re: *Judy Larson, et al. v. AT&T Mobility LLC, et al.*, Civil Action No. 07-5325(JLL)

Dear Judge Linares:

This letter is submitted on behalf of Katherine Zill and the following counsel: myself and Bramson, Plutzik, Mahler & Birkhaeuser, LLP; J. David Franklin and Franklin & Franklin; and Scott A. Burstor and L. Timothy Fisher and the Law Office of Scott A. Burstor, now known as Burstor & Fisher, P.A. (collectively, "Respondents"). I write to inform the Court of recent developments affecting the Order to Show Cause issued on December 23, 2010 (the "OSC").

Today, Respondents filed with the California Court of Appeal for the First Appellate District, a "Motion for Order Staying Appeal" (the "Stay Motion") in the case of *Zill v. Sprint Spectrum, L.P.*, which is Case No. A128026 in that Court (the "Zill Appeal"). The Stay Motion asks the Court of Appeal to stay the *Zill* Appeal until the Third Circuit rules on the pending appeals from this Court's Final Approval Order and Judgment in the above-captioned case.

A copy of the Stay Motion in the *Zill* Appeal is attached as Exhibit A to the accompanying "Request for Judicial Notice in Opposition to Order to Show Cause," which is filed herewith. Sprint has represented to Respondents that it does not oppose the grant of the Stay Motion, and Respondents have so informed the California Court of Appeal.

Respondents respectfully request the Court to consider this letter and the accompanying Request for Judicial Notice as part of the record in connection with the briefing and argument regarding the OSC. Respondents submit that since the prosecution of the *Zill* Appeal was the premise for the OSC, the filing of the Stay Motion renders the OSC moot. Accordingly, the OSC should be vacated and the Court should neither issue an injunction against Respondents nor hold them in contempt.

Very truly yours,

Alan R. Plutzik
